Computer Science and Engineering   **2017 - 2021**
Coimbatore Institute of Engineering and Technology, Coimbatore

Higher Secondary School   **2016 - 2017**
Sri Saradha Vidyalaya Matric Hr. Sec. School, Ulundurpet

SSLC   **2014 - 2015**
Sri Saradha Vidyalaya Matric Hr. Sec. School, Ulundurpet

EXPERIENCE

MEDIAMAX   **Jul 2023 - Present**
Web Developer

Designed, developed, and maintained user-centric websites with a strong emphasis on responsiveness and cross-browser compatibility, ensuring a seamless experience across all devices. Focused on optimizing the user interface and overall user experience through clean, efficient, and adaptable coding practices. Collaborated closely with designers, project managers, and stakeholders to deliver high-quality web solutions that not only met client goals but also adhered to industry best practices and standards, consistently driving successful project outcomes.

TECHIE NUTPAM PVT LTD   **Sep 2022 - Apr 2023**
Intership

Contributed to the development of a 3D business solutions provider by leveraging advanced disruptive technologies to significantly enhance company productivity. Collaborated closely with the team to ensure that website design and functionality aligned with project requirements, consistently meeting and exceeding client expectations. Additionally, implemented responsive design strategies and ensured cross-browser compatibility, resulting in seamless and intuitive user experiences across all devices.

PROJECTS

DELIVERY BUSINESS TEMPLATE

This template includes all the essential features you need for a package delivery website. This design ensures that your website looks great on any device, from laptops to desktops.
